UNIT PRICE

SECTION B - SUPPLIES OR SERVICES AND PRICES/COSTS

Prices are firm and not subject to increase for the performance period of this basic ordering agreement (BOA).

FEDLINK customers may sign basic software and database license agreements, however, the BOA terms and conditions take precedence. Standard contractor ordering forms are not applicable to FEDLINK users.

Prices, services, terms and conditions found in catalogs or brochures do not apply to the extent that they modify or conflict with the prices, services, terms and conditions of this BOA.

It is hereby certified that the prices provided herein do not include the provisions for the sale, lease, or rental of equipment. The services specified in Section B of this agreement are the only ones that will be provided during the performance period of the award.

Signature of Certifying Officer

As of July 8, 2002

Basic FEDLINK discount from commercial rates.

(The prices offered in this proposal represent a discount of 10 % from Commercial rates)

Additional discount associated with other publications/products -- N/A

Volume discount for individual customers - Factiva has built this aspect into pricing, as shown at end of this section.

Introductory or incentive discount - N/A

### **Factiva.com Flat-Fee Components**

### Component

### Description

Search\*

One search can be run across print sources, newswires, Web sites (7500), pictures and reports. The search interface is simple, yet powerful, and offers users an intuitive screen that allows them to tailor several search parameters.

**Track** 

Track is a current awareness service that delivers relevant news based on tracking statements set up by each user. Track can deliver results online and to an e-mail address. Content available for tracking includes print sources, newswires and Web sites.

**News Pages** 

Build up to five custom news pages that display news tracking

folders, saved searches, saved quotes list and more.

**Business Briefcase** 

The Briefcase allows users to build a 30-day folder of relevant

articles that can emailed, printed or saved.

**Company Screening** 

Each user can save up to ten lists of companies to track. Perform company screening on a collection of nearly 24,000 global

companies using 26 criteria.

**Quotes List** 

Get current quotes and market data from Reuters Investor. Instrument types supported include global stocks, market indices,

mutual funds and corporate bonds.

**Company Quick Search** 

Company Quick Search is a tool that delivers a rip-and-read report with current information on a company. Specific financial data is included, supplied by Media General, Hoovers and WorldVest.

Web Resources

**Business Tools Calculators** Company Info Reference **Technology Translations** Travel

This component easily links you to sites that Factiva's news staff has determined contain good business information.
